Floodwood Services & Training

"ENRICHING LIVES"

## About FST:

FST began in 1977 as a response by the parents of people in need of services. These parents worked with a state initiative to address the needs of people with disabilities.

The program was first housed in a church basement. Demands for services grew and FST expanded into its now present location.

## About our Services:

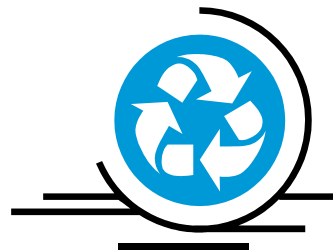

FST offers high quality, state licensed programs that provide a wide range of services for people with disabilities.

### Programs offered Include:

- Day Training & Habilitation (Serving people with developmental disabilities)
- Pre-Vocational/Supported employment (teaching basic job skills and providing meaningful employment in the community.)
- Adult Day Services (serving people with varying disabilities)

### Program Features Include:

- Licensure by the state of MN
- Staff that are competent, caring & well-trained
- Transportation for all participants to and from the programs and worksites.
- Food Program
